Order:-

Government of Andhra Pradesh has taken up many Irrigation projects including Large Lift Irrigation Schemes under “Jalayagnam” to provide irrigation facility to the upland and drought prone areas to improve socio economic standards of farmers in the command. In this regard the Softwares were developed under SPIU - for various aspects of Project implementation and monitoring , such as PMS, QMS, e-tool for R&R . Further , as of now, the Department is monitoring data through the server installed at CGG. In this connection Govt. has convened a meeting on 5-5-2009 to discuss the issues related to the implementation and use of Softwares/e.tool developed under SPIU etc.,

2. In letter 5th read above, the Director General, Centre for Good Governance, Hyderabad, has informed that during the discussions held in the Chambers of Principal Secretary to Govt. I & CAD Dept. with the department staff and CGG representatives on 5-5-2009, regarding implementation of e Tool developed for Irrgn. & CAD Department, CGG would have to host and maintain the applications developed for Irrigation & CAD Department. The annual hosting charges would be Rs. 11,50,000/- (Rupees Eleven Lakhs and fifty thousand only) . The cost break up is shown in annexure-I. The hosting charges shall be paid on quarterly basis in advance. In case the department establishes
